Eling Forest Winery (Sunday)

In the Southern Highlands, Australia's newest wine producing region, Eling Forest is one of the most established and well-known wineries, committed to crafting wines of rewarding complexity and distinctive taste.

Set on historic grounds, Eling Forest is home to the award winning Stones Restaurant and the homestead (circa 1834) offers charming Guesthouse accommodation. Eling forest is the only Winery in the Southern Highlands that also has accommodation.

Panorama House (Sunday)

Situated on Bulli Tops (Wollongong) overlooking the entire south coast with views from every aspect, a visit to Panorama House is an amazing experience. Whether it be to enjoy a coffee or a seafood lunch at their restaurant, the awesome view of the South Coast will make your visit a memorable one.

SATURDAY 7TH APRIL

Bring your corvette along to the Show and Shine, only a short stroll from the hotel, held at the famous lighthouse at Flagstaff Hill. (Also renowned as a hot spot for the romantics of Wollongong when the sun goes down)

Arrive and park by 8:30am
Depart after 3pm.

SATURDAY EVENING

Let your hair down, put on your Blue Suede shoes and bobby socks for our "Rock and Roll Theme Night" with live 50's and 60's music from 7pm – 12pm in the Novotel Grand Ballroom.

SUNDAY 8TH APRIL

Nice boat huh!

Now that we have your attention – we are going on a cruise but if you can cruise in a vette - why leave the land.

Cruise along the magnificent coastline of Wollongong to the spectacular Southern Highlands visiting the historic Eling Forest Winery for morning tea, wine tasting and cellar door sales.

- You have the option of taking the direct route or go with the optional scenic cruise back to the Novotel via the famous Sea Cliff Bridge.

Flagstaff Hill (Saturday)

It was built to service as a coastal light and Port Kembla to the south of Flagstaff Point. Up until now the only aid had been the old Wollongong Breakwater Lighthouse situated on the Belmore Basin to the north. The Breakwater light was discontinued in 1974.

Sea Cliff Bridge (Sunday)

The 665 metre Sea Cliff Bridge is a highlight along Grand Pacific Drive.

The bridge has become an icon to the people of Wollongong and around the world, once again welcoming tourists annually to this picturesque coastal road.

Opened in December 2005, the Sea Cliff Bridge offers visitors the chance to get out of the car and stretch their legs. It is also a great viewing platform for migrating whales heading north/south during migrating season.
